Letter No: 8739 F3/56-1 Dated 17-4-56.

Sir,

Sub: Establishment-Highways Department- Temporary Special Staff - Kariangote Bridge works - conversion of L.D.C. post into that of a U.D.C. - Requested.

Ref: G.O.Ms.No.1389 P.W. D/16-3-56.

Sanction was accorded in the G.O. cited to the continuance of one L.D.C. among other staff in the Office of the Assistant Engineer (Highways) for Kariangote bridge works.

2 The cement and Steel intended for both the bridges works, Nileshwar and Kariangote are being received by the Assistant Engineer Kariangote and distributed as per the indents placed by the Divisional Engineer (Highways) and correctly accounted for. The Lower Division Clerk sanctioned in the above G.O. will not be in a position to do this work and to maintain the major 7 F. accounts together with the other accounts connected with this big major work. Besides as Lower Division Clerks are not conversant with the accounting procedure and rules etc., they will not be able to check the bills correctly and to maintain the accounts and other records.

3 In view of the above facts the Divisional Engineer (Highways) has requested that the post of the existing Lower Division Clerk be converted into that of an Upper Division Clerk as it is quite essential to get through the work. The Superintending Engineer (Highways) has also recommended the request of the Divisional Engineer (Highways).

4 In the circumstances I request that the post of Lower Division Clerk in the Office of the Assistant Engineer (Highways) Kariangote may be converted into that of an Upper Division Clerk and request early orders of Government.
